

FISCAL NOTE

SB 837 - HB 2087

April 2, 2007

SUMMARY OF BILL: Removes the requirement that an individual providing personal support services to clients living in their own home or private residence who assist a client with medication administration receive eight hours of training in medication administration from a registered nurse.

ESTIMATED FISCAL IMPACT:

State Expenditures – Net Impact – Not Significant

Assumptions:

- DMRS currently authorizes individuals who are not licensed to assist in the administration of medication.
- The Division of Mental Retardation Services will not incur a significant net impact to expenditures for the training requirement changes proposed in the bill.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".

James W. White, Executive Director
